

EMPLOYMENT OPPORTUNITY Morehead State University

Assistant Professor, Computer Science

Morehead State University, located in Morehead, Kentucky in the foothills of the Appalachian Mountains, is recognized as one of the top public universities in the South by U.S. News & World Report. MSU continues to strive toward becoming an even greater institution while making a lasting impact on the students of Eastern Kentucky and beyond. We are always looking for quality employees to help the University be the best public regional university in the South. We are accepting applications for a full-time, tenure track position as Assistant Professor, Computer Science in the Department of Computer Science and Information Systems in the School of Engineering and Information Systems. The anticipated start date for this position is August 12, 2019.

Responsibilities include teaching graduate and undergraduate courses in artificial intelligence, advanced programming, network security, data structures, operating systems, software engineering, game prototype design and implementation, data mining concepts and computer graphics. The candidate(s) are expected to teach Computer Science courses, conduct scholarly research, advise students, participate in departmental and university service, and develop discipline related courses and laboratories. Excellent teaching skills and proficiency in oral and written communication is required. The ability to publish in scholarly journals and seek funding, either for research or laboratory/curriculum development, will be expected of the successful candidate(s). The successful candidate(s) will demonstrate a strong interest in professional development, scholarship, and outreach activities at the local, national, and international levels.

Qualifications: Doctorate in computer science or closely related discipline. ABDs may be considered. Individuals who can show evidence of previous teaching experience are encouraged to apply. The successful candidate(s) must demonstrate background and expertise in the areas of teaching, research and curriculum development.

Desired Qualifications: Teaching experience in a higher education, industrial experience and/or professional licenses/certifications are desired.

Review of applications will begin January 15, 2019 and will continue until position is filled. To apply, visit: <https://moreheadstate.peopleadmin.com> to complete the MSU Application for Employment and upload a letter of application, curriculum vita with contact information for three references, transcripts (unofficial), research plan, evidence of teaching ability, evidence of scholarly work, and related training certificates. Contact the Office of Human Resources at (606) 783-2097 should you have questions about our online application. MSU is an Equal Opportunity, Affirmative Action employer. Minorities, women, veterans and individuals with disabilities are encouraged to apply.
